

HERO VR

VR THEME PARK TURNKEY SOLUTION PROVIDER

GUANGZHOU XIECHUANG CULTURE MEDIA TECHNOLOGY CO., LTD

NEW ARRIVALS:

VR Robotic Arm

High-speed,action-packed
vr experience.

PRODUCT PARAMETERS

- Product size:290cm(arm length)
- Bearing capacity:240KG
- Player:1
- Product power:10KW
- Product Voltage:380V

VR Bungee

All-around vertical thrills!
Rapid ups and downs with the exhilaration
of weightless flight.

PRODUCT PARAMETERS

- Product size:L186*W245*H300 cm
- Product weight:700KG
- Player:2
- Product power:3000W
- Product Voltage:220V/110V

VR Shark

Fun shark design, perfect for
family & kids VR.

PRODUCT PARAMETERS

- Product size:L210*W253*H216 cm
- Product weight:550KG
- Player:2
- Product power:2500W
- Product Voltage:220V/110V-260V

Kiddyfox VR

A new vr experience that
inspires imagination and creativity.

PRODUCT PARAMETERS

- Product size:L95.0*W70.5*H110.5 cm
- Product weight:85KG
- Player:1
- Product power:300W
- Product Voltage:220V

VR TURNKEY SOLUTION:

A VR theme park turnkey solution provider for immersive entertainment
experiences.

CINEMA SERIES:

Orbital Cinema

Immersive naked-eye
3D viewing.

PRODUCT PARAMETERS

Product size:L1100*W600*H400 cm
Product weight:1200KG
Player:6-12(CUSTOMIZABLE)
Product power:10000W
Product Voltage:220V/100V

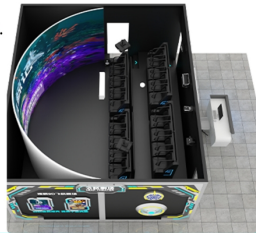

Flying Cinema

Experience unmatched realism
with flying cinema's naked-eye 3D.

PRODUCT PARAMETERS

Product size:L600*W580*H300 cm
Product weight:2800KG
Player:11+
Product power:4000W
Product Voltage:220V/100V-260V

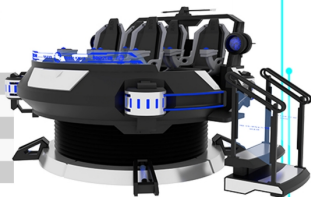

VR Star Destroyer

The first 360° rotation and
multiplayer vr attraction.

PRODUCT PARAMETERS

Product size:L345*W345*H230 cm
Product weight:1400KG
Player:5
Product power:2500W
Product Voltage:220V/110V

VR Warship

Multi-players, family
entertainment solution.

PRODUCT PARAMETERS

Product size:L394*W360*H260 cm
Product weight:860KG
Player:6
Product power:2500W
Product Voltage:220V/110V

VR Capsule

Cost-effective investment
small footprint high rol.

PRODUCT PARAMETERS

Product size:L410*W210*H245 cm
Product weight:500KG
Player:4
Product power:3000W
Product Voltage:220V/110V

Spaceship UFO

360 ° infinite rotation compact
design for two person experience.

PRODUCT PARAMETERS

Product size:L244*W184.5*H260 cm
Product weight:400KG
Player:2
Product power:3500W
Product Voltage:220V/110V

THRILL & ADVENTURE SERIES

VR 360°Rotation 1.0

Thrilling 360-degree rotating
roller coaster experience.

PRODUCT PARAMETERS

Product size:L180*W90.0*H250 cm
Product weight:440KG
Player:1
Product power:2500W
Product Voltage:220V

VR 360°Rotation 2.0

Thrilling 360-degree rotating
roller coaster experience.

PRODUCT PARAMETERS

Product size:L250*W240*H210 cm
Product weight:680KG
Player:2
Product power:3200W
Product Voltage:110V/220V

VR Escape Room

Thrilling large-scale game equipment, a must for venues.

PRODUCT PARAMETERS

Product size:L390*W470*H260 cm
Product weight:600KG
Player:2
Product power:1200W
Product Voltage:220V/110V-260V

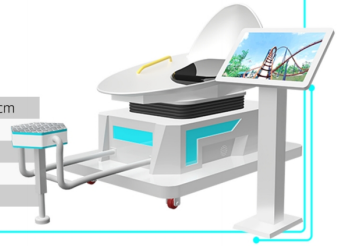

VR Slide

The real scene brings exciting experience.

PRODUCT PARAMETERS

Product size:L175*W85.0*H125 cm
Product weight:120KG
Player:1
Product power:2000W
Product Voltage:220V

SHOOTING SERIES:

VR Sniper Hero

Multiplayer interactive online competition.

PRODUCT PARAMETERS

Product size:L230*W140*H457 cm
Product weight:220KG
Player:1
Product power:1.2KW
Product Voltage:110V-250V

VR Battlefield

Perfect for a teamwork battle small footprint high rol.

PRODUCT PARAMETERS

Product size:L222*W270*H260 cm
Product weight:320KG
Player:2
Product power:800W
Product Voltage:220V/110V

VR Arena

Experience the thrill and excitement of the virtual world with the ultimate multiplayer free roam vr experience.

PRODUCT PARAMETERS

Floor space:48-100square meters
Product weight:150KG
Player:4-8
Product power:500W
Product Voltage:220V/110V

Hunter X2

Two-player shooting battles, online competition.

PRODUCT PARAMETERS

Product size:L238*W140*H240 cm
Product weight:220KG
Player:2
Product power:1.2KW
Product Voltage:110-240V

RACING SERIES:

Three-Screen Racing Car

6 Dof 3 Screen racing motion simulator.

PRODUCT PARAMETERS

Product size:L220*W230*H180 cm
Product weight:750KG
Player:1
Product power:3000W
Product Voltage:220V/110V

VR Speed Racing

Thrills and speed of high-octane racing.

PRODUCT PARAMETERS

Product size:L190*W246*H190 cm
Product weight:400KG
Player:1
Product power:1100W
Product Voltage:220V/110V

VR Motorcycle

Unleash Adrenaline:
Hyper-Realistic Racing & Drifting!

PRODUCT PARAMETERS

Product size:L180*W300*H190 cm
Product weight:390KG
Player:1
Product power:1000W
Product Voltage:220V/110V-260V

VR Skiing

Realize your dream skiing
trip in the VR virtual world.

PRODUCT PARAMETERS

Product size:L255*W144*H225 cm
Product weight:310KG
Player:1
Product power:1600W
Product Voltage:220V/110V

VR Dancing

Popular music and
dancing games.

PRODUCT PARAMETERS

Product size:L220*W180*H244 cm
Product weight:300KG
Player:1
Product power:700W
Product Voltage:220V

VR Robot

Self-service VR shooting
game platform.

PRODUCT PARAMETERS

Product size:L110*W160*H230 cm
Product weight:190KG
Player:1
Product power:800W
Product Voltage:220V/110V

KIDS SERIES:

VR Helicopter

Flying shooting game
Children products.

PRODUCT PARAMETERS

Product size:L255*W144*H225 cm
Product weight:310KG
Player:1
Product power:1600W
Product Voltage:220V/110V

9D VR Cinema

Cost-effective investment
Copyright rich contents.

PRODUCT PARAMETERS

Product size:L220*W110*H220 cm
Product weight:360KG
Player:2
Product power:2500W
Product Voltage:220V/110V

Sky Bungee VR

Experience rapid ascents and descents,
simulating the exhilarating weightlessness of flight.

PRODUCT PARAMETERS

Product size:L150*W197.8*H260 cm
Product weight:300KG
Player:2
Product power:2000W
Product Voltage:220V/110V

AR Robot

AR Somatosensory
interaction type.

PRODUCT PARAMETERS

Product size:L160*W50.0*H210 cm
Product weight:130KG
Player:1-2
Product power:1000W
Product Voltage:220V/100V
